Doordash Delivery Guide

Concerned about hungry? Our Doordash Delivery Program follows this simple guide:

1. Do you live within 10 miles away from campus? Would you prefer having a pre-packaged bag delivered to you instead of visiting our physical locations? If you said yes to the questions above you may qualify for our delivery service.

2. Before signing up, please ensure that you are within the bounds of the delivery radius map or else your delivery will not be fulfilled. You must be signed in to your UCSD email to access the radius map and sign-up links.

3. If you are within the bounds of the map, you qualify for our program! You must fill out your order form 7 days in advance before your scheduled delivery. Your order form will count as your Pantry visit for the scheduled week. If additional support is needed, students may email/message the pantry and will be granted an additional pantry visit for the week. Doordash Delivery Sign-up Form: bit.ly/tftpdeliveries
